

Dear Parent/Guardian

I am writing to you because your son/daughter has identified that they would like to join our latest after school club – TaeKwondo.

TaeKwondo is a Korean martial art underpinned by five core values of: courtesy, integrity, self-control, indomitable spirit and perseverance. Furthermore, TaeKwondo has been an Olympic sport since first being introduced at the 2000 Summer Olympics hosted in Sydney.

This club will be run by a qualified, insured, first aid trained and experienced Black Belt TaeKwondo instructor. For further information about their club please visit their website at: www.covtkd.uk. Initially, the sessions will last from **3-5pm** every Thursday until the Christmas Holidays.

As this is an external club, that we are inviting to teach at our school, there will be a cost to attend the sessions. Each session will cost approximately £4, resulting in a total payment of £24. However, what I need to do before I confirm the final costings is identify how many students want to attend this extended after school club. Once I have this information, then I can confirm the total amount payable which will be linked with how many students attend each session.

Finally, to start with there will only be 20 spaces available for this new club. Therefore, if I have too many students wanting to join this club I will pull names out of a hat to make sure all students have an equal chance of attending this exciting club.

If you have any questions, please contact me on the below.

Regards

Mr Hudson – Leader of P.E and OOSHL Coordinator
