Students will be given relevant information during the day. Students are not required to be there for the evening meeting.

Finham Park 2 Transition Day 2015

When is Transition Day?

Transition Day is on Wednesday 8th July

What will I need to wear?

You don't need to wear uniform but you need to be comfortable for a day at school. Make sure you have sensible shoes/trainers as we will be going outside during the day.

What will I need to bring with me?

You will need a pen and pencil as well as a packed lunch. If you normally receive Free School Meals then lunch will be provided.

What time does the day start?

All students should be on site by 8.40am. The school bus is scheduled to arrive by 8.30am. Students with places allocated for the bus will receive a temporary pass and confirmation of timings and bus stops to use on the day.

Where do I need to go?

You need to go to the Finham Park gym at the start of the day (8.40am). Directions will be given from the main school steps on Green Lane. Parking on site is restricted to staff only at the beginning and end of the school day.

What activities will we be doing?

Students will have the opportunity to experience a range of typical lessons taught by Finham Park 2 staff. These could include: Science, Geography, Maths, English, Art.

Where will these activities take place?

Most of the lessons will take place in D Block on the main site. This will be our base for the day.

Which class will I be in?

You will be in College groups for Transition Day so that you get to know the other students in your College. These will not be the teaching groups in September.

What time will the day end?

Lessons will finish at 3.10pm. Students can be collected from this time. The school bus will leave at 3.15pm.
