Dear Parent/Carer,

Re: - KS3 Food Preparation and Nutrition - Ingredients Contribution

I am writing initially to thank you for all your support in sending in material for our recent textiles project. There have been some wonderful items designed and made.

When we return after the Christmas break we will start our term of cooking. I think the students are almost as excited as I am to get into our stunning new kitchen and start to learn a huge array of cooking skills and eat some great food.

I am sure you are aware of the current health issues around young people and how important it is for all our students to be armed with great cooking knowledge.

All schools require students to provide ingredients for cooking lessons, however I appreciate this can prove logistically and financially problematic.

By contributing £15.00 for the spring term, we will provide all ingredients (with the exception of the meat) weighed and measured, this will also allow us to focus on the learning of skills rather than time checking quantities and a container to take the food home in. By us ordering the ingredients not only will it save you money it will ensure your child is actively participating and learning in every single lesson.

With the exception of the first session all lessons will be practical, either preparing or cooking dish and I am sure you will agree that cooking can only be learned by doing. In accordance with the School Food Plan and Ofsted guidance, the focus will be on healthy savoury recipes. After most lessons your child will return home with a tasty addition to your evening meal.

Please return the reply slip below by **Friday 9th December 2016** – latest with a cheque for £15.00 payable to **“Finham Park MAT”** to student services or you can pay via ParentPay.

Finham Park 2 is a cashless school and cannot accept payments in cash.

If you would rather source the ingredients at home please indicate as such, the list and quantities will be on FROG.

Thank you in advance for your support

Yours Sincerely

Mr. A Hartshorn

Cooking teacher

REPLY SLIP: Re: - KS3 Food Preparation and Nutrition – Material Contribution

Please return to Student Services by Friday 9th December 2016

Name of Student:

Mentor Group:

I enclose a cheque for £15.00 made payable to “**Finham Park MAT**” (non-refundable)
