Dear Parents/Carers

Summer Residential –Kibblestone, Staffordshire, Monday May 15th- Friday May 19th 2017

An exciting residential opportunity is available for your son or daughter next term. We are pleased to announce that we have booked students a place at Kibblestone Outdoor Activity Centre in the beautiful surroundings of the Staffordshire countryside. This residential will be led by teaching staff from Finham Park 2 and Team Camp who specialise in offering young people curriculum linked activity weeks.

At Finham Park 2 we are committed to ensuring students have 'the time of their lives' and this residential will provide our young people with new experiences beyond the classroom that they will treasure forever. Spending their time at Kibblestone in **May 2017**, your child will have the opportunity to take part in a wide range of activities that they would not have the chance to try in school such as high ropes courses and artificial caving. The activities will be run by qualified instructors in small groups and be designed specifically to meet the needs of our students. These activities are fantastic in supporting young people's personal development, contributing to their confidence, motivation and self-reliance. We will also undertake activities each day that will support their curriculum studies in English, mathematics and science ensuring that this will be valuable learning time.

Located in the heart of Staffordshire countryside, the impressive 98 acres at Kibblestone International Scout Campsite offers us indoor accommodation will be provided in single gender dormitories. To keep them fueled during this intense 5 days of activities, your child will receive a fresh, well-balanced and tasty menu for their stay.

The total cost of this four night trip is **£150.00** and is inclusive of return coach transport, accommodation, all meals (except packed lunch on the Monday), specialist instruction and the use of equipment.
