

July 2017

Dear Parent/carer

Key Stage 3 Revision Guides

I am pleased to offer your child the opportunity to purchase KS3 Science revision book. The Revision Guide is a colourful mapping of the curriculum and gives hints and tips for students on key notes from topics and practice questions. The revision guides are designed to complement classroom and home learning and prepare them for science exams in the future. This will help your child reach their full potential in science.

You can look at the revision guide online at

https://www.cgpbooks.co.uk/Parent/books_ks3_science.book_SHS33

The revision guides are normally £10.99 in shops; however, we are delighted to announce that we are selling the guides to parents for just £6!

To purchase the revision guide, please fill in the reply slip below and return it along with payment to student services, **before Friday 15th September 2017.**

All payments need to be made by Parentpay or by cheque - made payable to "Finham Park MAT". Non-refundable or exchangeable.

For advice and support regarding payments please contact the school office.

Students will be able to **collect** their book(s) from the Science Prep room from 1st October during school hours (9-3pm)

Yours Sincerely

C Devlin
(KS3 Leader of Science)
