Insight App Available

Dear Parent/Carer

We are pleased to let you know that our online portal 'Insight' now has an App available for iOS and Android devices. This makes looking at your child's progress, attendance, behaviour and rewards much easier using your phone or tablet.

App Download

The app can be found on the Apple App Store, or Android Google Play Store. This is named 'Insight by Tasc'. Once downloaded, please follow the instructions below.

App Setup

The initial setup screen will look like this.

In the Insight web address please enter the details below.

<https://insight.finhampark2.co.uk>
(please ensure the https:// is entered)

Tap OK once complete.

In this section, enter your Insight username and password as if you were logging into the Insight website.

Now Tap 'Sign in'

Student data should now be visible from the App.

If you experience problems using the app, please contact your child's mentor in the first instance.

Yours sincerely

Kyle Blakemore
