

September 2019

Dear Parents/Carers

**RE: Year 11 Parents Information Evening**

You are warmly invited to the Year 11 information Evening to be held in **Edward's Keep** on **Thursday 10 October 2019** between **6pm and 7pm**. The evening is specifically for parents and carers of our Year 11 students so we very much hope that you will be able to attend (students do not need to attend).

This evening is intended to give parents and carers practical strategies to support with revision and wellbeing during this examination year as well as an opportunity to speak with Subject Leaders and get further information about what is being taught, homework expectations and revision information. We will also have information to share about the Year 11 Mocks, NEAs (coursework) for some subjects and actual GCSE examinations happening in a few subjects in December/January.

Recent research suggests that parents/carers who are able to support their child with their learning make a huge difference in positively affecting improvements in student performance. We also firmly believe that working closely together – school, students and home – over this final year will help your child to feel fully supported, positive and motivated to achieve their very best in their GCSEs and other examinations.

In preparation for the examination seasons we would like to have correct mobile phone contacts for the students as well as yourselves. If your child has a mobile phone can you please provide it on the reply slip below

There is limited parking available at school. Can we please ask that you are considerate to local residents if parking around the area and if you live close enough, consider walking. Please indicate whether or not you are able to join us by completing and returning the reply slip below, to Student Services by Thursday 3 October at the latest. We look forward to seeing you.

Yours sincerely,

Liz Allton  
Assistant Headteacher

Rebecca Diaz  
Assistant Headteacher & SENCO
