

Year 6 to Year 7 Transition work - English

Transition work that we would like you to complete prior to starting with us in September:

Congratulations on completing your primary school work, and we hope you are looking forward to starting at Finham Park 2 as we are to have you in the English classroom! In September, you will begin your studies with us by reading *The Odyssey*, a classic story of adventure and peril set in ancient Greece. To prepare for this, you can complete the following:

- (1) Research the Greek Gods and Goddesses – explore their personalities and actions.
- (2) Write your own adventure story, where you are the central character. You should include some magical elements, like Gods and monsters. Try to be as creative and engaging as possible – the best ones will be put on display in the English department! Your story should be between 1-2 pages of A4.
- (3) Optional: Illustrate your story with drawings or images to really bring it to life.

Stickers and certificates will be awarded to the 10 best stories

If you have any questions, please contact me at r.kidman@finhampark2.co.uk
