Section 3: Qualifications

The qualifications offered at this Centre are decided by the Headteacher, Deputy Headteacher in consultation with Subject Leaders and other members of the Leadership Team.

The subjects offered for qualifications in any academic year and the Awarding Bodies for these awards may be found in the Centre's published prospectus for that year and on the school website. If there has been a change of specification from the previous year, the Examinations Office must be informed by 30th September of that academic year. The qualifications currently offered include: GCE (A-Levels), EPQ's, GCSE, Entry level and Asdan Awards, BTECs, OCR Nationals and V Certs.

It is the responsibility of Subject Leaders and Leadership Team to inform the Examinations Manager in writing and/or email of changes to a qualification or specification offered by the school.

Decisions on whether a candidate should be entered for a particular subject will be taken Assistant Head; Teacher & Learning/Outcomes in consultation with the Subject Leader.

Section 4: Examination Series & Timetables

The Headteacher decides which examination series are used in the Centre, in consultation with Leadership Team, Subject Leaders, Head of Sixth Form and the Examinations Manager.

For the academic year 2020/2021, external examinations and assessments are currently scheduled in January, May and June.

On-demand assessments (e.g. BTEC IT on-screen tests) are scheduled in agreement with the Examinations Manager.

Currently, formal internal examinations and assessments are scheduled in November/December (Year 11), May (Year 7 and 8) and June/July (Years 9, 10 and 12). Internal examinations are normally conducted under external examination conditions.

Once entries are confirmed by subject leaders, the Examinations Manager will distribute the timetables for internal examinations and external examinations. Students will be issued with individual and rooming timetables well in advance of the exam season in which they are being entered for exams. For example, students will receive their summer exam timetable in February to give them time to check, identify errors/amendments, etc. Composite timetables with exam venues will be issued before the end of the Spring Term. Versions of the composite timetable will be distributed to teaching and associate staff and posted on the school website.

Section 5: Entries, Late Entries and Re-takes

Candidates' entries are confirmed by the Subject Leaders, SENCO and subject teachers. These entries are then communicated to the Examinations Manager by the internal deadlines agreed. The Examinations Manager will submit the entries (and any subsequent amendments) to the Examination Boards by the deadlines set by the boards. Candidates also have a responsibility to check their entries and timetables and alert teachers and/or the Examinations Manager if they find any errors.

Decisions on whether a candidate should be entered for a particular subject will be taken in consultation with the candidates, parents/carers, SENCO, subject teachers, Head of Key Stage and Heads of Subject. If students' entries are withdrawn or amended, the subject teacher/subject leader/LT staff are responsible for informing the student, parent/s and the Examinations Manager.

Candidates or parents/carers and teachers can request a subject entry, change of level or withdrawal.

The Centre may accept external entries.

The Centre does occasionally act as an examination Centre for other organisations (e.g. BMAT and other University admissions aptitude tests).

Internal entry deadlines are circulated to Subject Leaders via email, noticeboard and briefing meetings.

Late entries are authorised by Leadership Team and/or Subject Leaders and processed by the Examinations Manager.

GCSE re-sits are allowed, however these decisions will be made in consultation with candidates, subject teachers, Examinations Manager, Headteacher and Subject Leader.

Re-take entries are requested by students using the re-take request form available from the exams office. Re-take fees are normally met by the student and must be paid in advance.

Section 6: Examination Fees

Examination entry fees are paid by the Centre for subjects which students are studying within their normal timetabled curriculum. Candidates or departments will not be charged for entries, tier amendments or withdrawals made by the proper procedures provided these are made within the time allowed by the awarding bodies.

Exam Board fees incurred by late entries or late amendments are paid by subject departments or by students/parents if it is they who are responsible for missing the entry/amendment deadline.

Fees/reimbursements are sought from candidates who decide to sit an examination after the late entry/withdrawal deadline and from candidates who fail to sit an examination without medical evidence or evidence of other mitigating circumstances.

Fees for re-take entries are normally paid in advance by candidates, unless the subject teacher/leader indicates the department is meeting this cost.

Section 7: Disability Discrimination Act

All examination Centre staff must ensure that practices meet the requirements of the Disability Discrimination Act 1995 (DDA), extended in 2005, and the Disability Equality Duty (DED), introduced in 2006.

A person has a disability for the purposes of the DDA if she/he has a physical or mental impairment that has a substantial and long term adverse effect on her/his ability to carry out normal day-to-day activities.

The Centre will meet the disability provisions under the DDA or the Equality Act 2010, by ensuring that the examinations Centre is accessible and improving candidate experience.

Section 8: Access Arrangements

The SENCO will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an examination. The SENCo can then inform individual staff of any special arrangements that individual candidates can be granted during the course and in the examination.

A candidate's access arrangements requirement is determined by the SENCo, following the current academic year's JCQ publication: *Adjustments for Candidates with Disabilities and Learning Difficulties, Access Arrangements, Reasonable Adjustments and special consideration.*

Submitting completed access arrangement applications to the awarding bodies is the joint responsibility of both the Examinations Manager and SENCo.

Rooming for access arrangement candidates will be arranged by the SENCo with the Examinations Manager.

Invigilation and support for access arrangement candidates will be organised by the SENCo with the Examinations Manager.

The allocation of word processor/laptops will be decided by the SENCo according to:

1. The student's Access Arrangements and learning needs.
2. The student's "normal way of working".

Section 9: Contingency Planning

Contingency planning for potential disruption of exams is the responsibility of the Headteacher and Leadership Team in consultation with the Examinations Manager.

In the event of the absence/illness of the Examinations Manager, the Operations Manager will cover examination responsibilities in the short term, following the Examinations Policy and the annual Examinations Schedule. The arrangements for the actual examination day can be found within Section 13 of this document.

Contingency plans in the event of a fire/evacuation of the buildings may be found in the Fire Safety Policy - Appendix A (p13).

The Centre follows the JCQ guidance for emergencies "*Instructions for Conducting Examinations: Emergencies*" (found here: <https://www.jcq.org.uk/exams-office/ice---instructions-for-conducting-examinations/centre-emergency-evacuation-procedure>)

More information can be found within the Contingency Planning Policy – Appendix B (pages 14-15).

The Examinations Manager will produce a standalone policy for conducting examinations during COVID-19. It will have to be updated on a more frequent basis than annually.

Section 10: Estimated Grades

Subject Leaders are responsible for submitting estimated grades to the Examinations Manager when requested.

Section 11: Invigilation of Examinations

- External staff and agency employees are used to invigilate examinations.
- External invigilators may be used for both formal internal and external examinations.
- Recruitment of invigilators is the responsibility of the Operations Manager, Examinations Manager and/or the HR Manager.
- Securing the necessary Disclosure and Barring Service (DBS) clearance and following up references for new invigilators is the responsibility of the HR Department. CRB fees for securing such clearance are paid by the centre.
- Safeguarding training is the responsibility of the Designated Safeguarding Lead.
- Invigilators are timetabled and briefed by the Examinations Office.
- Invigilators rates of pay are set by the Finham Park Multi-Academy Trust.

Section 12: Secure Storage of Examination Materials

It is the responsibility of the Examinations Manager to ensure that current examination materials (e.g. "live" examination papers, speaking test instructions, controlled assessment tasks, stationery, etc.) are stored securely in the Centre and meet the criteria listed in the JCQ document, "Instructions for Conducting Examinations" (more information can be found here <https://www.jcq.org.uk/exams-office/jce---instructions-for-conducting-examinations/>).

- A log must be kept at reception recording each awarding body's deliveries and number of boxes/packages received.
- Confidential materials must be stored in a secure room solely assigned to examinations, restricted to 2 to 6 Key Holders only.
- Only persons authorised by the head of centre and the exams manager must be allowed access to the centre's secure storage facility.
- The keys to the secure storage facilities are kept by the Examinations Manager and must be accessible to the Head Teacher.

Section 13: Examination Day Arrangements

- The Examinations Manager will book all examination venues and liaise with the Site Services Manager and other users and ensure that the question papers, other examination stationery and materials are available for the invigilator(s).
- It is the site management staff's responsibility to set up the allocated rooms as requested and be advised of the requirements in advance of the exam date.
- It is the Examination Manager's responsibility to ensure that all examinations are conducted in accordance with the current JCQ guidance in "Instructions for Conducting Examinations" (more information can be found at <https://www.jcq.org.uk/exams-office/jce---instructions-for-conducting-examinations/>).
- Subject staff may be present at the start of the examination to assist with identification of candidates but must not advise on which questions or sections are to be attempted. Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.
- In practical examinations, subject teachers may be on hand in case of any technical difficulties.
- Examination papers must not be read by subject teachers or removed from the examination room before the end of a session.
- Papers will be distributed to Subject Leaders at the end of the examination session.
- A relevant subject teacher may attend to resolve any subject-specific queries which the invigilators and/or Examinations Manager are unable to answer. They do not require prior authorisation for the head of centre.
- A teacher may start the examination if authorised to do so by the Examination Manager.

Section 14: Candidates

Candidates must adhere to the regulations and guidance listed in JCQ document, “*Information for Candidates for Written Examinations*”, (more information can be found here <https://www.jcq.org.uk/exams-office/information-for-candidates-documents/information-for-candidates---written-exams>) and “*Information for Candidates: Coursework*”, (more information can be found here <https://www.jcq.org.uk/exams-office/information-for-candidates-documents>). All students in years 10 and 11 are to be given a copy of these documents at the start of the each whole-school exam session academic year or for any external exam sessions, whichever occurs first in the year. The documents are also made available on the school website. The Centre's published rules on acceptable dress, behaviour and candidates' use of mobile phones and other electronic devices apply at all times.

- Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.
- Candidates' disruptive behaviour is dealt with in accordance with JCQ guidelines and with the schools Behaviour policy.
- Candidates are expected to stay for the full examination time, however for exams longer than one hour they may be able to leave one hour after the awarding body's published start time for that examination. This is at the discretion of the invigilator.
- The Examinations Manager is responsible for managing late or absent candidates on examination days or subsequently.
- The Examinations Manager is responsible for making arrangements for candidates who have an examination clash, the supervision of candidates, identifying a secure venue and arranging overnight supervision if necessary.
- Managing any private candidates is the responsibility of the Examinations Manager.

Section 15: Special Consideration

Should a candidate be ill before an examination, suffer bereavement or other trauma, be taken ill during the examination itself or otherwise disadvantaged or disturbed during an examination, then it is the candidate's responsibility to alert the Centre, the Examinations Manager, or the examination invigilator, to that effect.

The candidate must support any special consideration claim with appropriate evidence within three days of the examination, for example by providing a letter from the candidate's doctor. The Examinations Manager will then forward a completed special consideration form to the relevant awarding body within seven days of the examination, following JCQ guidance “*Access Arrangements, Reasonable Adjustments and Special Consideration*”, (more information can be found here <https://www.jcq.org.uk/exams-office/access-arrangements-and-special-consideration>).

Section 16: Malpractice

The Headteacher is responsible for investigating suspected malpractice in either external or internal assessments. Where a subject teacher suspects malpractice in an internal controlled assessment, this should be referred to the Subject Leader in the first instance and then to the Examinations Manager. After investigation, if appropriate, an internal school sanction may be applied. If an occurrence of malpractice is reported in an external exam or a controlled assessment by the exam board, this is a serious infringement of the JCQ regulations and may lead to a formal investigation by the head teacher and the imposition of sanctions by the exam board. Further details of this process may be found in the JCQ document, Suspected Malpractice in Examinations and Assessments: Policies and Procedures.

Section 17: Results (for External Exams)

Candidates will receive individual result slips on results days, either in person at the Centre or by post to their home addresses, candidates to provide self-addressed envelope. If students are not able to pick up their results in person, the Centre will only release the results to a named individual, authorised in advance in writing by the student. Anyone picking up results on behalf of a student will normally be expected to produce photographic identification before results are released to them. Results will not be communicated over the phone. Information about the arrangements for Results Day and about the collection of results is circulated to students and teaching staff by the Examinations Manager in the Summer Term.

Arrangements for the Centre to be open on results days are made by the Leadership Team in consultation with the Examinations Manager and the Site Services Manager.

The deployment of staff on results days is the responsibility of the Leadership Team.

Section 18: Post-Results Enquiries

The exam boards offer a number of post results services which have to be approved and processed through the school. It is the responsibility of the Examinations Manager to process post results queries.

An Enquiry about Results (EAR) is a re-check or re-mark which can be requested by Centre staff or by candidates if there are reasonable grounds for believing there has been an error in marking. The candidates' consent is required before any EAR is requested, which will be obtained using a designated form, indicating which subject, exam board and paper is to be remarked, along with a declaration that the candidate is aware of the possibility of an overall grade decrease. If a result is queried, either the candidate or the subject leader will be charged for the cost of the enquiry, depending on who initiates the request. If the enquiry leads to an overall subject grade change, the re-take fee will be refunded (if it has already been paid).

Any student who wants to query a mark/grade awarded by an Awarding Body upon issue of results should follow the procedure detailed in APPENDIX C.

An Access to Scripts service is available if needed. After the release of results, candidates may request the return of papers. Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained. Original scripts only are available for GCSE exams. Either the candidate or the subject leader will be charged for the cost of returned papers, depending on who initiates the request.

Re-marks cannot be requested once an original script has been returned to the Centre.

Further information regarding the appeals process can be found within the 'JCQ Appeals Booklet – effective from 16 August 2018,' (<https://www.jcq.org.uk/exams-office/appeals>).

There is no exam board service available for the re-marking of Controlled Assessments or Coursework and re-moderation of coursework can only be requested in exceptional circumstances.

If teaching staff initiate a request to review the moderation of internally assessed components, this can only be done with the consent of all the students in the cohort whose marks will be affected by this review.

Further information regarding the appeals procedure for controlled assessments or coursework can be found within Finham Park 2's separate **Non-Examination Assessment and Internal Verification Policy**.

Section 19: Certificates

Certificates may be presented in person in awards ceremonies, collected and signed for by the student or posted by recorded delivery. Certificates will not be sent out with the normal mail. If certificates are posted by recorded/special delivery, students will be expected to pay in advance for the cost of this service. It is the responsibility of Leadership Team to notify students of the dates of Awards ceremonies and of alternative ways of obtaining their certificates.

Certificates can be collected on behalf of a candidate by third parties, provided they have been authorised to do so by the candidate in advance in writing.

The Centre retains certificates for two years. If not collected by this time, certificates may either be returned to the examination board or destroyed securely.

Section 20: Complaints and Appeals

Please see APPENDIX D for further information regarding Complaints and Appeals.

APPENDIX A:

Emergency evacuation procedure for examinations

The invigilator must take the following action in an emergency such as a fire alarm or a bomb alert.

- Stop the candidates from writing.
- Collect the attendance register (in order to ensure all candidates are present).
- Evacuate the examination room in line with the instructions given by the appropriate authority, to the relevant Fire Assembly Points as indicated with the Fire Evacuation Plan.
- Remind candidates they are still under examination conditions.
- Advise candidates to leave all question papers and scripts in the examination room.
- Candidates should leave the room in silence.
- Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination.
- Make a note of the time of the interruption and how long it lasted.
- Allow the candidates the full working time set for the examination.
- If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination.
- Make a full report of the incident and of the action taken and send to the relevant awarding body.

Appendix B:

Contingency Planning

In consultation with the Headteacher and Leadership Team, The Examinations Manager will:

- Review the contingency plan well in advance of each exam series.
- Ensure that copies of question papers are received and stored under secure conditions.

In the event of disruption, the Examinations Manager will:

- Contact the relevant awarding organisation and follow its instructions.
- Take advice, or follow instructions, from relevant local or national agencies in deciding whether the school or college is able to open.
- Identify whether the exam can be sat at an alternative venue, in agreement with the relevant awarding organisation.
- Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exams when planned.
- Communicate with parents, carers and students regarding any changes to the exam timetable.
- Advise students, where appropriate, to sit exams in the next available series.

After the exam, the Examinations Manager will:

- Consider whether students may be eligible for special consideration.
- Ensure that scripts are stored under secure conditions.

- Return scripts to awarding organisations in line with their instructions and never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

APPENDIX C:

Policy on Enquires about Results

Any student who wants to query a mark/grade awarded by an Awarding Body upon issue of results should follow the following procedure:

Contact the Examinations Officer and the subject teacher as soon as possible **[but at least 5 working days before the published deadline for EARs]** in person to discuss the mark/grade. The Examinations Officer will advise on the options available to query the mark/grade and the costs involved.

Students should be aware that EARs can result in marks/grades being raised, confirmed or lowered. Students must sign a consent form to confirm that they understand the consequence of an EAR. Consent forms will be issued by the Examinations Officer.

The subject teacher will review the student's marks/grades and discuss with the Head of Department to agree on the appropriate action taking into account the breakdown of marks, the grade boundaries and the student's predicted grades.

If the Department agrees to support the EAR:

- The request, together with the students consent form, should be made to the Examinations Officer **before the published deadline for EARs.**

If the Department does not agree to support the EAR:

- A student may appeal against the decision not to support an EAR. Appeals should be made in writing to the Examinations Officer, at least **5 working days before the published deadline for EARs.** The appeal should state, in detail, the reason(s) for the appeal. This appeal should be signed and dated and should include the daytime contact telephone number of the student, parent or carer. The appeal information will be reviewed by the Examinations Officer and a member of the Senior Management Team; the outcome of the appeal will be communicated by telephone and 1st class letter post within 24 hours of receipt. This decision is final.

If the centre does not support the EAR the student may still proceed with the EAR but all costs involved will be paid by the student at the time the EAR is made. No EARs will be made until fees are paid. Requests must be made in person to the Examinations Officer before the published deadline for EARs. If the enquiry is successful the fee will be refunded to the student

APPENDIX D:

Internal Complaints and Appeals Policy

The procedure should be followed by a candidate who has a general complaint regarding the Centre's delivery or administration of a qualification.

This procedure will be the final stage in the normal process of considering and resolving disputes. It is expected that it will only be used in exceptional circumstances.

The Examinations Manager is in overall charge of managing appeals relating to internal assessments.

If a student wishes to appeal, then the following procedures should be followed:

- The appeal should be made in writing to the Examinations Manager, stating the details of the complaint and the reasons for the appeal. If the complaint is against the Examinations Manager, this appeal should be directed to the Operations Manager who will then be responsible for any further tasks within the appeal usually conducted by the Examinations Manager.
- The appeal must be submitted before the end of the September after the relevant exam season, although this deadline may be extended in exceptional circumstances in situations where any post-results services have been requested which extends beyond this time.
- The staff members who are the subjects of the appeal will be given a copy of the complaint and will respond in writing to the Examinations Manager; a copy of this will be given to the student.
- If the student is not happy with the written response they have received, he/she can then request a personal hearing before an appeal panel.
- The appeals panel will consist of the Examinations Manager and two of the following – the relevant College Leader; an Assistant or Deputy Head; a school governor – none of these should have dealt previously with the appeal.
- The request for a personal hearing should be made within two days of the receipt of the written reply to the initial appeal.
- The candidate will be given at least two days' notice of the hearing date.
- A breakdown of the marks will be given to the candidate in advance of the appeal.
- The candidate may bring a parent/guardian to the hearing.
- The staff involved will be present at the hearing.
- The Examinations Manager will convey the outcome of the appeal and the reasons for that outcome in writing to the candidate.
- The school will maintain a written record of all appeals
