

## BLENDLED LEARNING POLICY

### **Aims:**

1. To ensure that blended learning delivery meets the guidelines set by the awarding organisation.
2. To ensure that assessment methodology is valid, reliable and does not disadvantage any group or individual learners.

### **In order to do this the centre will:**

- Ensure that teaching/delivery/assessment staff are timetabled to support blended learning when learners are working remotely
- Ensure there is a process to manage feedback on assignments, questions are constructively answered, and feedback is provided in a timely manner
- Ensure the setting of assignments is undertaken in the face-to-face sessions and that deadlines are clear
- Ensure that when learners submit work measures are taken to ensure the work is authentic and has been completed by the learner
- Maintain and store securely all assessment and internal verification records in accordance with Pearson Centre Agreement.
