

Firstly, a huge hello and welcome to Finham Park 2. We cannot wait for you to be joining us in September 2025. We are really excited to meet you on our transition days!

Moving to secondary school is a huge change and it is normal to feel a little bit nervous. Things are different to primary school, for example you will be learning in many different classrooms and have lots of different teachers! You will also be learning new subjects such as Food Technology and D&T; you can embrace your creative side, your academic side and become the best version of yourself. You will also have a lot more freedom! You will be able to play football at break or go to the library.

Before you come, it might be a good idea to familiarise yourself with some of the key places you may visit a lot.

This is our outdoor space, you can see we have lovely benches in the sun, a Grab and Go food stand and a huge tennis court to play football on in your break times.

This is our canteen, this is where you will get your food from everyday! Some of my favourites are the curry and fish and chips on a Friday!

This is our courtyard, this is a quiet space for people to read their books in the sun or just chill out during break times.

This is our HUB space. This is where you will come if you are in any intervention classes. Intervention is where you may do a bit of extra spelling, reading or maths. They are led by our lovely TAs! You can see some of them are busy working on the table already! If you ever have any problems or worries, the HUB is your safe space to come too.

This is our life skills room. You may do an intervention here, it is also a place where you can eat your lunch or come at break if you need a calm space. You will notice there are ovens, a washing machine and kitchen in here; that is because we do a lot of lessons in here about preparing for life after school.

In the HUB, we have lots of key people. You may want to familiarise yourself with their names. You will meet them on your transition days!

Mr Cameron - SENCO
Mrs Malone - HUB Manager
Miss Dear - Deputy SENCO
Miss Henson - Teaching Assistant
Mrs Mordue - Teaching Assistant
Mrs McCheerly - Teaching Assistant
Mrs Allsop - Counsellor

Hopefully, this has allowed you to visualise what Finham Park 2 will be like! There is also a transition booklet for you to complete at home to help you prepare for your secondary school journey!

We cannot wait to meet you!
