

March 2026

Dear Parent/Carer,

We are delighted that you have chosen Finham Park 2 to further your child's education. Finham Park 2 encourages hard work and achievement whilst striving for a purposeful and caring ethos. We provide a broad balanced curriculum that is taught in a stimulating and challenging manner. Students follow the requirements of the National Curriculum at Key Stage 3 and then will begin their Key Stage 4 course in Year 10. In addition, considerable emphasis is placed on our Out of School Hours Learning (OOSHL) curriculum that fosters self-confidence, independence and broaden horizons.

The change from primary school to secondary marks an important stage in your child's education and we aim to help make the transition experience as positive as possible. An outline of the programme of activities for your child to participate in over the spring and summer months is given below.

Staff and Governors at Finham Park 2 look forward to working in partnership with you and your child. We trust that time spent with us will be enjoyable and challenging, and an effective preparation for adult life.

April-May: You will receive further letter communications from us with more detailed information about Transition Day and New Parents' Evening. Further documents will be sent via email to the email address that was used when you applied for the school place. Parents will be asked to complete some registration forms online.

May-June: Our Leadership Team and College Leaders will be meeting with our partner primary schools to speak to Year 6 students joining us in September as well as their teachers to answer any questions they have about their transition to Finham Park 2. We will also contact you to share with you which mentor group your child will be placed in.

1st July: All of our new students will be spending the day at Finham Park 2 meeting staff and experiencing the school: this is important in making the transition to us as smooth as possible. This will be followed by a meeting in the evening for parents. Time to be confirmed.

Additional transition support

FP2 will be following the Coventry SEND transition programme to support our new Year 7 students prepare for the move to secondary school. The Special Educational Needs team, led by Mr Cameron (SENDCo), will arrange additional meetings with you as parents, alongside primary colleagues to ensure that we are fully informed about your child.

We hope that this programme will ensure that most of your queries are answered and that during it you will find the necessary opportunities to talk to those whom you need to see. In the meantime, please contact transition@finhampark2.co.uk if you have any queries.

Yours sincerely,

Will Keddle
Headteacher
