Dear Parent and Carer,

Open Events September 2026

A huge thank you and congratulations to all the students and staff who played such an active part in our Open Evening on Thursday 17 September. It was wonderful to see so many of our young people in school, proudly representing Finham Park 2 and everything we stand for. We always say that our students are our very best advert. We have a beautiful building, fantastic teachers and a growing reputation as an oversubscribed school. However, for prospective parents and carers, meeting the young people their child will learn alongside is perhaps the most reassuring and inspiring way to understand what life at Finham Park 2 is really like. Thank you to every student and member of staff who gave up their time and helped to make the evening such a success.

Our open events continue next week with open-morning sessions from 9.15am until 10.15am. Parents and carers are welcome to attend, either with or without their Year 6 child. Visitors will be guided around the school by one of our sixth-form students, providing an opportunity to see Finham Park 2 at work during a normal school day. We think this is incredibly powerful—and we are confident that, once you have walked around our school, you will want your child to become part of it.

Places are available in bookable slots. If you would like to attend, please contact the school office and provide your details to our reception team.

Meet the Mentor Evening

Our Meet the Mentor Evening for Year 7, Year 11 and Year 12 will take place on Thursday 24th September, from 4.00–6.00pm in person. The evening provides parents and carers with an early opportunity to meet their child's mentor, hear how they have settled into the new academic year and find out more about the support available to them. A letter with full details has been sent to parents and carers, and families are asked to book their appointment in advance using our online Parents' Evening booking system. The booking system closes at 3.00pm on Thursday 24th September.

For our Year 7 families, this is an especially valuable opportunity to hear how students have settled into their first few weeks at Finham Park 2 and learn more about mentor time and how it helps students make a positive start to each day.

For Year 11, conversations will focus on how students have started this important year, initial feedback from subject staff, Year 11 routines and support with Post-16 next steps. For Year 12, families can discuss students' transition to Sixth Form and the important role mentors play in supporting their progress and future choices, including university and apprenticeships. The evening reflects the importance we place on the partnership between students, families and mentors and provides an important opportunity to share information and support each student as they progress through the year. We look forward to meeting with you.

Year 11 GCSE Information Evening

Now that we are in Year 11, it is time for students to really "lock in" to the importance of this year. From my experience of many years working with Year 11s – and as a parent of teenage children myself – the earlier students get into good habits, the easier the journey will be and the more likely they are to achieve successful outcomes.

To help with this, we will be holding our Year 11 Information Evening on **Thursday 8th October**. School leaders and key heads of subject will outline the journey ahead, the strategies and expectations we have to support students, and provide key guidance in English, Maths and science. We will also share some top tips for parents to support their child through this challenging but hugely important time.

Further details of the Information Evening will follow, and information will be emailed home directly to Year 11 families.

Year 11 and Year 13 mock exams – starting 9th November

Our Year 11 and Year 13 mock examinations will begin on **Monday 9th November** with a few practical exams taking place the week before. These are a vital part of preparing for the summer exams, giving students the chance to experience exam conditions and test themselves on the content they have been learning.

It is really important that students make a careful note of which papers they are sitting and what content is being assessed. Just as importantly, they should now be developing strong revision habits at home. Practice makes all the difference – students who build good routines during the mocks tend to carry these through to their final exams, which has a huge impact on outcomes. Please support us by encouraging your child to plan their revision, keep to a timetable, and balance work with rest and leisure.

Mock timetables will be released next week, but revision should start now as we only have 5 weeks before they start and the outcomes of this will be an important part of teacher predictions that will go with college and apprenticeship applications in the Spring term. It really matters! If you have any questions about the Year 11 exams, please contact Ms Turner, Deputy Headteacher and Raising Standards Leader, or your child's mentor in the first instance. For Year 13 queries, please contact your child's mentor or Mr Werner, Head of Sixth Form.

One simple job that could save you money!

At the beginning of every school year, we inevitably see an increase in lost property as students get used to new routines. Blazers get left in classrooms. Ties disappear. Pencil cases are misplaced. PE kit gets mixed up in changing rooms. We even end up with socks that nobody claims! So, please could every family do one very simple thing this weekend: **Name absolutely everything**. A permanent marker costs very little and writing your child's name somewhere on the label of every item takes only a few minutes. Please include blazers, trousers and skirts, ties, PE kit, trainers, coats, pencil cases and anything else they regularly bring into school. If something is then mislaid, we have a much better chance of getting it straight back to its owner. School uniform and PE kit are expensive. This tiny bit of organisation can save families a considerable amount of money and hassle – and potentially save students quite a lot of upset too! Thank you for your help.

Free School Meals Update

Anyone receiving Universal Credit is now eligible for Free School Meals (FSM):

- If you receive Universal Credit, you need to apply online.
- If your child already receives Free School Meals, you do not need to take any action.

Applications can be made through the GOV.UK Free School Meals page:
[gov.uk/apply-free-school-meals](https://www.gov.uk/apply-free-school-meals)

Check if you are eligible for Universal Credit:

Key Stage 3 homework explained

HOMEWORK PLANNER

AUTUMN TERM 2026

EVERY WEEK
NON-NEGOTIABLE

sparx
Maths

sparx
Reader

1 WEEK 1 – KNOWLEDGE ORGANISER HOMEWORK
Build knowledge and practise effective study techniques.

STARTS (MONDAY)	WHAT TO DO (DURING WEEK 1)	FOCUS STRATEGY
14 th Sept	During week 1, you will be expected to develop the study skills needed to remember more.	Frayer Model
28 th Sept		Key words & definitions
12 th Oct	The pattern for these weekly study skills sessions is:	Look, Cover, Say, Write, Check
2 nd Nov		Flashcards
16 th Nov	Monday: English/Languages/Food	Self-quizzing
30 th Nov	Tuesday: Maths/Art	Mind Maps
14 th Dec	Wednesday: Science/Music/Drama	Retrieval Practice (Your choice)
	Thursday: History/PE/RE	
	Friday: Geography/DT	

2 WEEK 2 – SUBJECT HOMEWORK
Apply your knowledge to subject tasks set by your teacher.

STARTS (MONDAY)	WHAT TO DO (DURING WEEK 2)
7 th Sept	Complete subject homework set by your subject teacher and record in your planner for the details.
21 st Sept	
5 th Oct	This homework links to what you are learning in class.
19 th Oct	
9 th Nov	Follow the instructions carefully and ask your teacher if you need help.
23 rd Nov	
7 th Dec	

HOW IT WORKS

WEEK 1 – KNOWLEDGE ORGANISER HOMEWORK
Each week, you will complete ONE Knowledge Organiser task per subject using the study strategy shown in the planner.

WEEK 2 – SUBJECT HOMEWORK

- Each week, you will complete subject homework set by your teacher.
- Record the details in your planner.
- This homework links to what you are learning in class.
- Follow the instructions carefully and ask your teacher if you need help.

WEEK 1 STUDY STRATEGIES YOU WILL USE

FRAYER MODEL
Understand a word deeply by exploring its meaning, features, examples and non-examples.

KEY WORDS & DEFINITIONS
Learn and understand important terms and what they mean.

LOOK, COVER, SAY, WRITE, CHECK
A step-by-step method to practise and remember information effectively.

FLASHCARDS
Create cards with questions and answers for quick and effective revision.

SELF-QUIZZING
Test yourself regularly to strengthen memory and confidence.

MIND MAPS
Organise information visually and show connections between ideas.

RETRIEVAL PRACTICE (YOUR CHOICE)
Choose the strategy that works best for you to retrieve and remember.

REMEMBER

- Little and often is best.
- Retrieval practice – long term success.
- Use your Knowledge Organisers.
- Your effort today, your success tomorrow.

REASONABLE ADJUSTMENTS
We can apply reasonable adjustments to homework. Please speak to the SEND Hub if this is an issue.

COMMUNICATION IS KEY
If you have any questions or concerns, please contact your child's subject teacher.

WORKING TOGETHER
Your encouragement, routine and support help your child become a confident, independent learner.

THANK YOU
Thank you for supporting your child's learning journey.

PRIDE ★ RESPECT ★ RESPONSIBILITY

This year, homework for students in Years 7, 8 and 9 follows a clear two-week cycle. The Autumn Term Homework Planner accompanying this article can also be found within each student's Knowledge Organiser Pack. Every Key Stage 3 student has received an extensive Knowledge Organiser containing the essential knowledge they need to learn in each subject during the autumn term. Securing this knowledge is fundamental to making good progress: the more confidently students can remember key facts, vocabulary and concepts, the more effectively they can understand new material and apply their learning in lessons.

During Week 1 of our timetable—the week we have just completed—students undertake Knowledge Organiser homework. The Homework Planner identifies which subjects they should study each evening and the particular study technique they should use. Students have been given a separate exercise book in which to complete this work. They must bring this book into school so that their mentor can check and sign off the homework completed.

Each Knowledge Organiser week focuses on a particular study skill. For example, during the week beginning Monday 12th October, students will use Look, Cover, Say, Write, Check. This involves looking carefully at a manageable section of key knowledge, covering it, saying it aloud, writing it from memory and then checking its accuracy. Students are not expected to learn an entire section in one sitting; the technique should be used with smaller, manageable amounts of information. The planner spreads subjects across the week. On Monday 12th October, for example, students will complete Look, Cover, Say, Write, Check activities for English, languages and food. On Tuesday 13 October, they will use the same technique for maths and art, with the remaining subjects distributed across the rest of the week.

During the week beginning Monday 2nd November, students will study the same subjects on the same evenings but will use flashcards instead. Over time, students will therefore both embed important subject knowledge and develop a range of effective study and revision techniques. These habits will support their learning now and give them a valuable toolkit when they reach Key Stage 4 and begin preparing for their examinations.

Guidance videos explaining each technique are available through our YouTube channel, and QR codes linking to them can be found within the Knowledge Organiser Pack. During Week 2, beginning next week, students will receive subject homework set more flexibly by their teachers. This will be recorded in their school planners and will usually extend, practise or consolidate the work being completed in lessons.

We hope this makes our Key Stage 3 homework system clearer. Parents and carers can provide valuable support by regularly checking both the Homework Planner and their child's Knowledge Organiser exercise book.

As always, if you need support with any aspect of your child's learning and wellbeing, do not hesitate to contact the school and thank you for your continued support. Have a lovely weekend

Will Keddie
Headteacher BA (Hons), PGCE, NPQH.

Attendance Update

Punctuality and Arriving at School on Time

Arriving at school on time every day is an important part of good attendance. Being punctual ensures that students are ready to learn, can take part fully in our mentor programme and do not miss important learning, pastoral or safeguarding messages. Punctual attendance also helps students develop positive routines, friendships, social skills and habits that prepare them for later life.

Persistent lateness can have a significant impact on a student's education and attendance record.

When is a late mark recorded? Students who arrive after registration has started, but before the register closes are recorded as late.

What happens if my child arrives after registration closes? Where a student arrives after the register has closed, their absence for that session will normally be recorded as an **unauthorised absence**, using attendance code **U**. This counts towards missed learning sessions and will lower their overall attendance percentage.

Year 11 Intervention Sessions

NSPCC

Helpline

For any concerns about a child
help@nspcc.org.uk | 0808 800 5000

We're here for you

The NSPCC is the UK's leading child protection charity. We have been keeping children safe for over 140 years, and we are here to help with any concerns about a child, no matter how big or small.

Any of these worries sound familiar?

- My child is being bullied at school.
- My teenager hardly talks to me anymore.
- How can I talk to my child about healthy relationships?
- The child at youth club told me about a secret.
- It's not safe for me and my children at home.
- I'm struggling to feed my children.
- My neighbour's child is always crying.
- I don't know who my children are talking to online.

How can the NSPCC help?

The NSPCC Helpline can be contacted seven days a week, online or on the phone. Our child protection specialists are here to listen, offer advice, and support to take action if needed.

Whether you want to report child abuse and neglect, or are worried about a child and not sure what to do, we have advice for you.

It doesn't matter who you are – a parent, a family member, friend, neighbour or professional. Anyone can contact us for advice.

Do I have to say who I am?

There are lots of reasons why people want to be anonymous. You don't have to tell us who you are, where you live, or share your contact details. If you do choose to share any of these with us, you can ask us not to share them with other agencies – like the police or social services. However, if you told us something that made us worry that you or a child is being hurt or at risk, we would have to report this.

Book Recommendations for this week

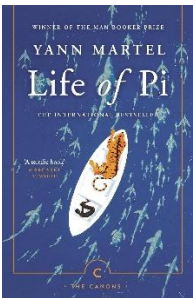

Year 7 + How the News Works by Jane Marlow

This is a no-nonsense guide for 8-12 year olds that gives the fascinating inside story on this ever-relevant topic. With accessible information and practical tips written by real-life journalist Jane Marlow from Independent Television News (ITN), children will be well-equipped with the knowledge they need to navigate the tricky news landscape. With fun, friendly and engaging illustrations by Terri Po, this book is the perfect resource to help children get the inside story.

Olivia has always wanted to belong somewhere, but will she take her place as a Prior, protecting our world against the Master of the House? Or will she take her place beside him?

Year 9+ Life of Pi by Yann Martel

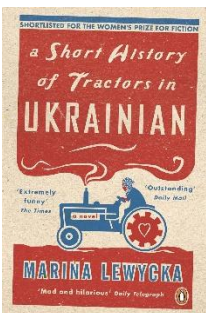

Noah and his best friends are finally graduating from Woodthorn Academy with the world and all its promises laid out before them. To celebrate exam results day, they're hosting a party weekend at Black Stone, an opulent country estate, for the whole school to attend. But for one night only, the ten friends will have a low-key celebration – after all, it's how the upper echelons begin their futures.

But things take a sinister turn when they find themselves in the crosshairs of a killer making one simple every hour, one person must be evicted from the house or someone inside the house will die.

With nowhere to run and a killer on the prowl, choices must be made. But, as people inside the house start to go missing too, it soon becomes clear that nobody is safe. By the time morning comes, who will have survived the night? And is the killer much closer than they realised . . .

Staff, Parents & Sixth Form – A short History of Tractors in Ukrainian by Marina Lewycky

Sisters Vera and Nadezhda must aside a lifetime of feuding to save their émigré engineer father from voluptuous gold-digger Valentina. With her proclivity for green satin underwear and boil-in-the-bag cuisine, she will stop at nothing in her pursuit of Western wealth.

But the sisters' campaign to oust Valentina unearths family secrets, uncovers fifty years of Europe's darkest history and sends them back to roots they'd much rather forget . . .
