

September 2026

Dear Families,

I am writing to share with you some information about work experience week later in the school year. I appreciate that this is early, but I wanted to let you know in plenty of time to avoid anyone making unnecessary arrangements. This is an overview, and more detailed information will be shared with you closer to the time.

Your child's work experience week will take place from Monday 26th April to Friday 30th April. This will follow the same format we have used for the past two years, where students will choose a range of workplace visits and workshops to attend, followed by a careers fair and mock interview day with a range of local employers and training providers. **There is no need for your child to arrange a placement for themselves.**

Last year, students had the opportunity to attend the following visits:

- Coventry Food Bank (ideal for careers in retail or social care)
- The RSPCA Centre (ideal for careers in animal care or vet science)
- The Herbert Museum (ideal for careers in conservation or art)
- Tile Hill Library (ideal for careers in public services or retail)
- Drayton Manor behind the scenes (ideal for careers in hospitality and catering or travel and tourism)
- Schneider Electric (ideal for careers in engineering or STEM roles)
- The Army workshop (ideal for careers in uniformed services)
- Coventry University (ideal for those considering higher education)
- Coventry College (ideal for those considering further education at a college)
- GMI Construction (ideal for careers in construction and sales)
- University Hospital Coventry and Warwickshire (ideal for careers within medicine or healthcare)
- Coventry Building Society Arena (ideal for careers in events management and retail)
- Bedworth FC Football taster session (ideal for careers linked to sports)
- West Midlands Police (ideal for careers within public services)

We aim to ensure that all students have an enriching and useful experience, so please can you have a discussion with your child and follow the link to complete the form. This will give us an idea of the industries they are most interested in and allow us to cater for this appropriately.

If you have questions about any of the above, then please don't hesitate to get in touch.

Yours Sincerely,

Sophie McMahon
