

October 2026

Dear Parent/Carer,

Year 11 students and their parents/carers are warmly invited to attend our Post 16 Open Evening on Thursday 12th November, starting at 5.00 pm and ending at 7.00 pm. This event is an excellent opportunity for prospective students joining us in the academic year 2027–28 to explore what our Sixth Form has to offer. Students in younger year groups are also very welcome to attend and find out more about the exciting opportunities available in the future.

The evening will feature addresses from Mr Werner (Head of Sixth Form), Mr Keddie (Headteacher), and our Head Sixth Form students, who will share their experiences of life and study in our Sixth Form. Visitors will also be able to take part in a range of engaging activities, including science experiments, D&T workshops, art and photography displays, and politics taster lessons, among many others.

There will also be time to meet our subject teachers, ask questions, and learn more about the wide range of courses available to our Sixth Form students. Staff and student representatives will be on hand throughout the evening to offer guidance and advice.
